In Loving Memory Of

Matthew "Swirls" Cirelli

This year's yearbook is dedicated to a person who is the epitome of a great brother, son, friend, and student. Matthew "Swirls" Cirelli passed away on December 8th of 2013 after a two-year battle with cancer. He was loved by so many in the Medford community including everyone at Medford HIgh School. People were drawn to Swirls due to his kind, loving nature and his beautiful smile. He was always willing to lend a helping hand to those who needed it, putting aside his own circumstances. He will be missed by all in the Medford High community and by his beloved family. Swirls, thank you for giving us a shining example of bravery, kindness, courage and what it truly means to be a great friend.

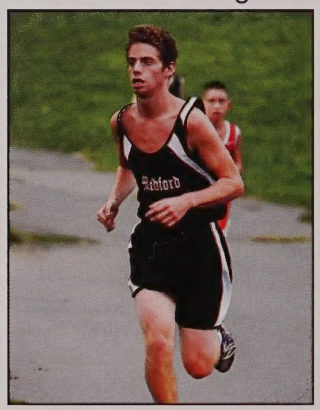

Fly High.

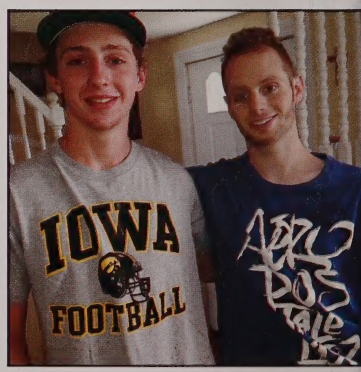

"If you can understand the meaning of life, then you can understand anything. With that said, I have already achieved it."

-Matt Cirelli

#SwirlsStrong

Congratulations Class of 2014!

Thank you for an amazing year - I feel very honored to be your Headmaster. Yearbooks are a way for us to remember, reconnect, and revisit the years spent in high school. As Washington Irving said, "Sweet is the memory of distant friends! Like the mellow rays of the departing sun, it falls tenderly, yet sadly, on the heart." I hope that your memories and thoughts of your time at MHS are both sweet and tender. As you grow older and distance separates you from here, remember that you will always be a Mustang!

I hope you the very best,
Dr. Perella

Congratulations to the members of the class of 2014 on your achievements that have earned you the prestige of holding a Medford High School diploma. The 2013-2014 school year has been a tremendous year for Medford High School. This is in large part due to the dedication of an exceptionally talented and caring faculty and the Medford community that cares deeply about the education of our youth. However, to have a great school year and school, one needs to have a great student body that is led by role models in the school. This year's senior class has left it's mark on this great institution by leading by example. It has been my distinct pleasure to work with you, the Class of 2014, over the past year. When I first met you in my new role as the Assistant Principal, I had three demands for you: I want you to be the best you can be every day. I want you to pass along what you have learned to others. I want you to leave the world better than you found it. It is my sincere belief that you have left Medford High School better than you found it. You have left your mark here at Medford High School, but this is only one step in your journey of life. As the essayist T.H. Huxley once said, "The rung of a ladder was never meant to rest upon, but only to hold a man's foot long enough to enable him to put the other somewhere higher." Keep climbing that ladder, Class of 2014. Believe in yourself, dream big, and go after your goals with tenacity and attention to detail and you will accomplish the unthinkable and truly make your mark on the world we live in. Congratulations on a job well done.

@MVTHSADMINISTRATIVETEAM

Congratulations MVTHS Class of 2014!

Your vocational technical education began four years ago as you made the choice to attend MVTHS. Over the past four years, your teachers gave you key career and academic skills using real world applications.

Today, you will choose to continue your education through college, apprenticeships, the military or the workforce. Whichever you choose, believe in yourself, know you can do it, and be great at it.

"Greatness is not a function of circumstance. Greatness, it turns out is largely a matter of conscious choice." (Jim Collins, *Good to Great*)

The choice is yours. Make it count.

Thank you to seniors Alessia LaRocca, Regine Jacques, Cassie Greene, and Elena Branley, who have given 4 great years to the Mustang soccer program. I wish them the best of luck in the future!"

@PepRally

On November 27, 2013, Medford High faculty and students banded together to show their Mustang spirit by rooting on the football team for the annual Thanksgiving Day game. This year's pep rally featured performances from our cheerleaders, dance team, band, and Los Rubios. The senior class partnered with Mr. Galusi and Dr. Wadness to perform a skit featuring a motivational speaker, construction workers, a motorcycle gang, police officers, military personnel, cowboys, and Native Americans. The pep rally ended with the whole school joining together to dance to the classic song "YMCA."
